Game 1 23rd April
Stureby SK 0 - Långholmen FC 1

Good start to the season with a win away to Stureby. Fairly typical season starter with a combination of nerves and rustiness giving way to some better football as the game progressed. Goal by Johannes in the first half who dinked in a cross from Natxo. Ref handed out a 5 yellow cards by my count but more from competitive challenges rather than anything dirty (save from some colorful language from the sideline)
Opposition had a couple of tasty mid-fielders but otherwise fairly average. They did manage to make Pete earn his appearance fee with a top class save in the first half.

Squad Robbie,Tarik, Jay, Peter G,Davey W,Natxo, Mike, Johannes , Gary, Skinna, Joe, Chris,Colm,Dave,Andy

Game 2 3rd May
Skogås-Trångsunds FF 0 - Långholmen FC 1

Famous win for vets on fresh night in south Stockholm. Skogås were a good ball playing team and showed some nice touches as they took the early stages of the game. Långholmen however settled into their groove and started to get on top as the game progressed. Some crisp passing moves, one including 2 back passes in a row (a record of some sort I'm sure) and some tough but fair tackling made the opposition feel more and more uncomfortable.

It paid dividends in the second half as Johannes finished of a great move as he latched onto a cross from the right, his second in 2 games.

The ref who rarely moved from the centre circle did not share our interpretation of the rules and was liberal when it came to doling out yellow cards. Goal hero Johannes was the recipient of two very questionable cards and saw the line with about 15 minutes to go. No matter as the lads stepped up and layed it on the line until the final whistle. Heroic performances from the whole squad on a momentous night for the vets. Out on our own at the top of the table after two games. Sweet 😊

Game 3 14th May
Långholmen FC 2 Gröndals IK 2

Frustratingly the LFC Vets drew 2-2 on Sunday after much of the possession. Still, unbeaten in 3 games. Big up! Goals by Natxo and Tarik.

Game 4 21st May
Långholmen FC 1 - IFK Aspudden-Tellus 1

[Latest Table & Results](#)

A last minute goal by Davey Watters secured a draw for the Vets as the sun came down on a glorious day in Essinge. It was no more than we deserved and in fact we could have been a few goals up at that stage if it wasn't for the Aspudden crossbar having the game of its life, denying us on three occasions.

Långholmen bossed the game from the off and gave the opposition little chance to settle on the ball. Some nice passing and usage of the wings opened them up several times but we were unlucky to go a goal down in the first half when they exploited a momentary lack of concentration.

It was looking like we would pay dearly for that and indeed could have gone another goal down if it wasn't Joe pulling off a great save in the second half. With just about the last kick of the game a sweet through ball to Davey set him off on his own down the left wing and he calmly slotted it past the keeper to salvage a point and keep our unbeaten run going.

Whilst we could be disappointed that we didn't win this, we can take heart in the character of the team to keep it going until the final whistle and at the end of the day, with the last minute nature of the goal it almost felt like a victory.

Game 5 3rd June
Långholmen FC 1 - Tudor 3

[Latest Table & Results](#)

A couple of early goals by Tudor set the tone for a first half where the stripes didn't really get off the ground. Second half was a better showing but we conceded another goal and it was always going to be difficult from there. Nevertheless the last 20 minutes were a good bit better with Långholmen creating a few opportunities before Andy O stuck one in the last 5 minutes. One could wonder if we had an extra 15 minutes that we could have got a result. In fairness though, Tudor deserved the result on the day and it will take a lot for Långholmen to get their name on the Kevin Everest trophy this year.

Tarik suffered a nasty knee injury in the second half that will likely see him out for at least a few weeks (diagnosis was rather encouraging - it could have been worse). Season debuts from Joost , Andy O and Jan - thanks lads for helping out.

Squad Peter G, Mike, Tarik, Colm, Robbie, Davey W, Andy O, Gary, Joe, Johannes, Andy L, Joost, Jan S, Dave E

Alt league table and fixture list -> <http://www.langholmenfc.com/vets-korpen/>

Super display by the Vets away to the joint league leaders. Right from the off the boys played some lovely controlled football, dominating the midfield and never letting the opposition settle. We went into the half time break with a we'll deserved lead after Robbie scored.

Another goal by Joe and it looked like we would comfortably see it out however Andino had different idea when they came back with two quick goals in succession. It was up to Andy O in the last 5 minutes to bring us back in front, finishing off calmly with a one on one with the goalie.

The win sets us up nicely going into the summer break. 3rd on our own with the two league leaders (Tudor and Andino) facing off next week as well.

Bring it on!

Goals Robbie, Joe, Andy O

Game 7 18th June
Långholmen FC 0 Cassi FF 2

[Latest Table & Results](#)

Disappointing end to an otherwise good first half of the season for the Vets. Under a scorching Essninge sun, the boys never really got off the ground and went one down in the first half with Cassi scoring a header from a set piece. It was one of those games where the first score would have a greater impact than normal and trying to play catch up ,we found ourselves stretched with Cassi capitalising on the extra space.

We did create a few chances and on another day it could have been a different story but a second goal mid way into the second half effectively killed off the game.

With the first half of the season complete we can be confident that we are contenders with no team out of our league. Time to have a well earned rest and we come back in August stronger than ever.

Poor game against a 10 man Cassi. Goals by Josh and Alexis (assist by Mr Skinna). Will leave it at that.

Game 9 20th August
Långholmen FC 4. Andino Utd FF 1

[Latest Table & Results](#)

Played against 10 men again (9 in the first half) for the second week in a row. 2 goals by Jay (one a contender for goal of the season for build up and finishing) and a goal apiece by Josh and Alexis. Was really only going to be one winner from the off even though Andino tired to upset the Stripes with some under the belt tackling and testy encounters.

Game 10 27th August
Tudor 4 Långholmen FC 0

[Latest Table & Results](#)

Tudor were deserved winners in Stadshagen hitting the onion bag 4 times without reply. Whilst the home team were probably more suited to the underfoot (shit astro turf) and the lighting (candle like glow from the floodlights) we could have no complaints about the result.

Game notable for a couple of outbursts from the Tudor lads getting shirty about some legitimate tackles from the Stripes.

Game 11 30th August
Kopernik 1 Långholmen FC 0

[Latest Table & Results](#)

We played some of our best football of the season tonight but fell short of a result against a decent Kopernik side. After some early pressure by the Stripes an unlucky deflected goal gave the home side the lead. We chased the game after that, combining commitment with some nice football but never really troubling their keeper.

2 games in 4 days took its toll and there were some sore limbs afterwards. Next up Kopernik again this Sunday. They're an older side so lets hope the quick turnaround suits us more than them.

Game 11 3rd Sept
Långholmen FC 1 Kopernik 3

[Latest Table & Results](#)

Another good display with little reward. Probably played better overall than the previous Sunday against the same opposition but Kopernik were worth the victory given that they were only denied two further goals by some excellent saves by Pete in goal.

Robbie got the Stripes goal to keep us in it at 2 - 1 going into the 2nd half but a 3rd goal by Kopernick with 10 mins to go made a comeback unlikely. It did not stop us from trying however and it was good to see us fighting until the end.

Game 13 13th Sept
Långholmen FC 4 Gröndals IK 1

[Latest Table & Results](#)

A high and scoring victory for the Vets including a perfect hat trick (left, right, header) from Dave E and a strike right at the postage stamp from Gary. The win was particularly sweet given the whining and general crabbiness of some of the opposition. Good also to see a return to play from Morty
